Good morning Ellen,

LACC continues to provide a service to the Little Tokyo BID 1-day a week. We haven't stopped any services, the issue with the syringes is a case by case. I'll stay in communication with you if we come across any bigbellys with an overwhelming of syringes so that we can get them properly dispose of. The corpsmember driver continues to service the district by picking up bulky items, sweeping streets, gutters, tree wells, and servicing all 5 Bigbelly stations. Lastly, working with officer Lopez on any special clean-up in the district.

Ellen, feel free to invite me to the meetings that pertain to the beautification and improvements to the district.

Have a great day!

Subject: Corps services clarification

We are meeting with the Dept. of Public Works this morning to discuss the BigBelly trash cans.

I just need some clarification for the following:

-- Is LACC no longer going to empty any of our 5 BigBellies or just the one at 1st & San Pedro where the needles were found?

—if we install the regular LASAN black trash cans, will you service those?
